

UST03 Lotus

Lotus offers a perfect blend of style and functionality, making it an ideal choice for architectural designers.

120 lm/W | IP66 | IK08 | 1-10V | 10KV | DALI

KIRITO

A Modern Display Inspired by Nature

Lotus is a post top LED light that recognizes the crucial role of lighting in shaping a city's aesthetics and the trend of urban differentiation. Its design takes inspiration from the iconic Guest-Greeting Pine trees that grow vertically out of the rocks in China's Huangshan mountains.

Through continuous optimization, the Lotus has evolved into a modern fixture that not only enhances visual appeal but also offers excellent performance, making it a perfect choice for urban designers seeking to elevate the visual appeal of their projects.

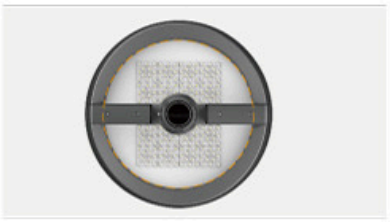

Reliable Design

1. Aesthetic appeal with a smooth curvature effectively prevents the accumulation of dust and leaves, creating a tidy impression.

2. Tempered glass cover with optic lens for durable protection.

3. Driver is installed into the pole for easier maintenance.

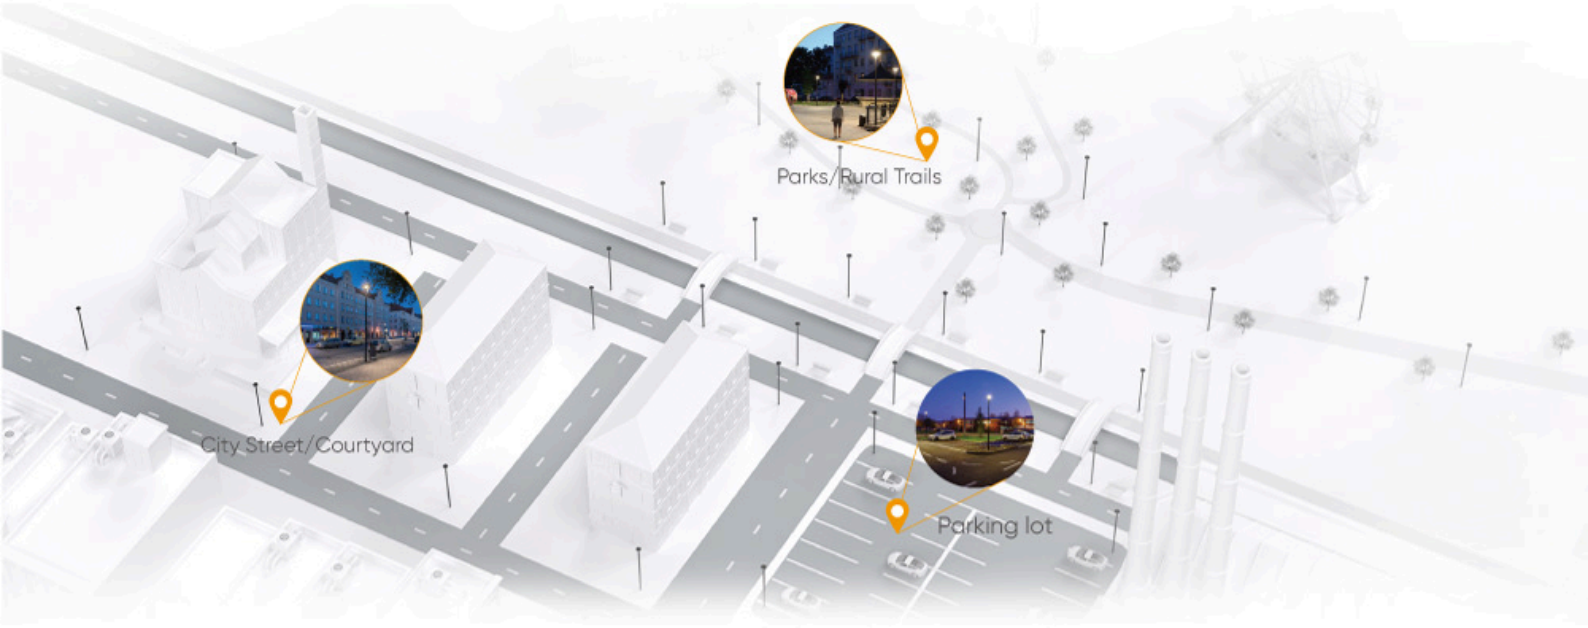

4. Available for 60/76mm pole diameters suit for various projects.

60mm / 76mm

Versatile Professional Optics for Diverse Applications

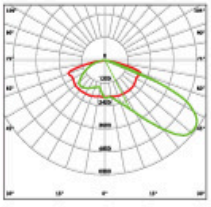

With the UST03 Lotus LED Post Top light, you can meet the diverse lighting needs of various projects with different light distributions.

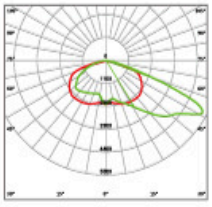

Asymmetric Lighting Designs

Our asymmetric optic lenses are precisely engineered to enhance the lighting ambiance of streetscapes, gardens with pathways, and other outdoor environments, providing optimal illumination and visual comfort.

ADDITIONAL PRODUCT SPECIFICATIONS

Series Code	UST03
Power	40W, 60W, 75W, 100W
Efficacy	120lm/W
Input Voltage	100-240 VAC, 100-277VAC, 50 / 60 Hz
Power Factor	>0.90
CCT	5000K, 4000K
CRI(Ra)	80, 70
Control	1-10V, DALI, Dimmable
IP Rating	IP66
IK Rating	IK08
Mounting Option	Post Top
Warranty	5 Years
Surge Protection	6kV line-line, 10kV line-earth
Operating Temperature	-30°C to + 50°C

Lotus LED post top -the IF Award 2020 Winner, brings architectural style to area and site and pedestrian scale applications. Its professional optic provides a high level of visibility and manages the glare well. Contemporary, architectural design, elegant appearance.
