

HB65

True all-in-one design that covers all your expectations

Save SKU / Save electricity / Save shipping cost / Convenient sensors

- 150 lm/W
- IP65
- IK08
- 5 YEARS Warranty
- CCT Selectable
- Power Selectable
- Beam angle Selectable

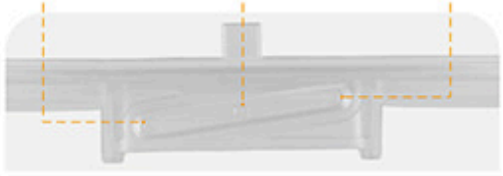

KIRITO

IP65 beam angle adjustable

You can get 3 different optics by rotating the PC lens

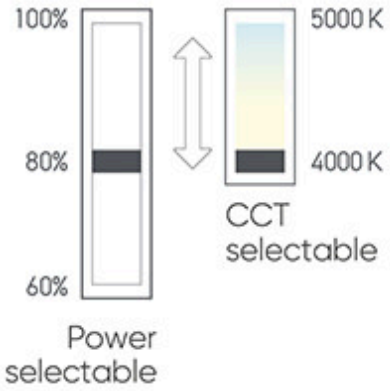

W-Wide beam M-Medium beam N-Narrow beam

2 CCT and 3 power selectable

Convenient intelligent control & Save electricity

HB65 is 150lm/W, together with twist central sensor making this high bay to be more energy-saving.

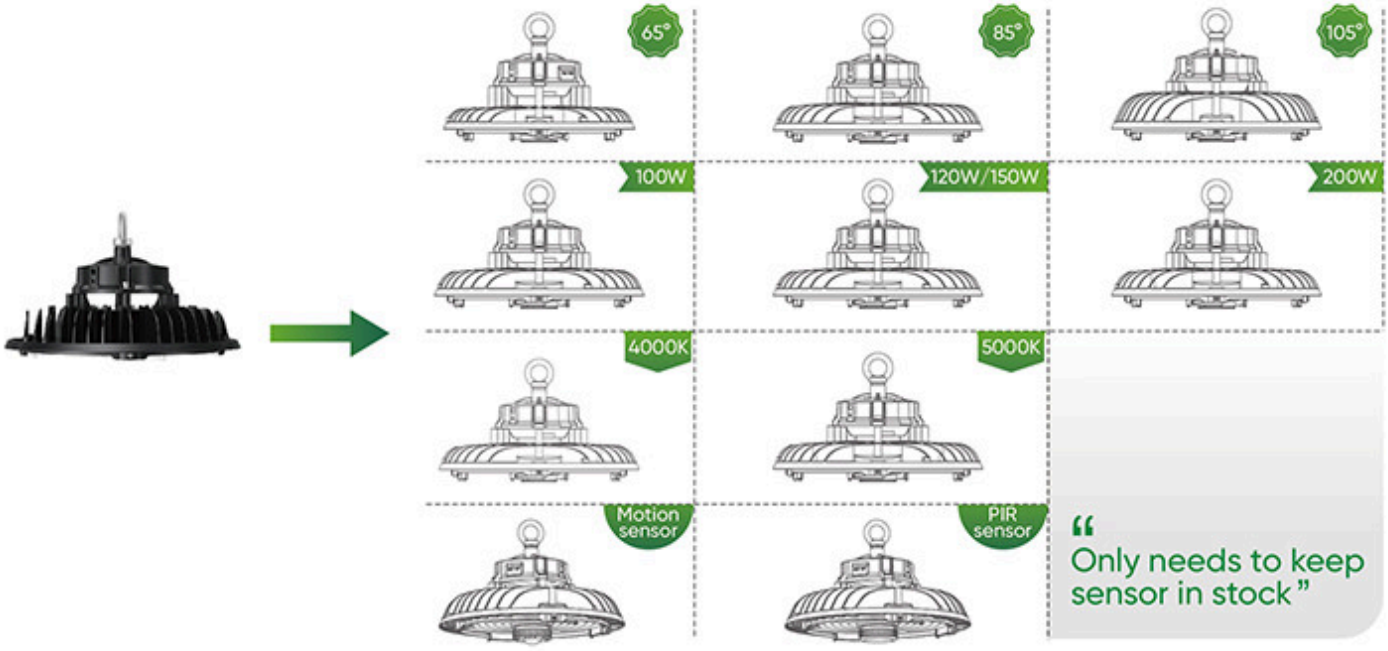

One SKU, dozens of possibilities

The HB65 series of highbay has a total of 36 possibilities and even more.
It could help to easily manage your stock qty and relieve cash flow pressure.

- Fast delivery time
- Elimination of dead stock
- Save storage space
- Improve profitability
- Less blockage of funds

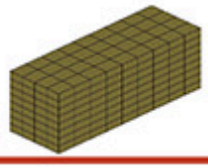

Less freight cost

Light weight and compact size could save expensive freight cost

ADDITIONAL PRODUCT SPECIFICATIONS

Series Code	HB65
Power	100W, 120W, 150W, 200W
Efficacy	150lm/W, 160lm/W
Input Voltage	100-277VAC, 50 / 60 Hz
Power Factor	>0.95
UGR Level	28
CCT	4000K, 5000K
CRI(Ra)	80, 70
Control	Microwave Sensor, PIR Sensor, Dimmable, Beam angle & Power selectable
IP Rating	IP65
IK Rating	IK08
Mounting Option	Loop Hanging, Ceiling Mounting
Warranty	5 Years
Surge Protection	6kV line-line, 6kV line-earth
Operating Temperature	-30°C to + 50°C

The product has been discontinued online. Please contact our sales representative for more information. HB65 is truly all-in-one design that covers all your expectations. It's beam angle adjustable, CCT and power selectable, which can reduce your SKU greatly and cut storage costs effectively. It is a compact high bay with the most popular light efficacy in the market with 150lm/W. Together with twist central sensor makes it more energy-saving. All-in-one design. Beam angle &CCT & Power selectable. Three different sizes heat sinks make it cost-effective. Built-in Microwave motion sensor & PIR sensor for electricity saving. Various accessories are available Applications: Indoor ceiling application, Warehouse, Factory, Industrial facility, Exhibition centers, Shopping malls.
