FL61 65W/130W

FL61 wall washer is designed for landscape lighting. With beams from narrow to wide, FL61 offers multiple optics options. Single white, RGB and RGBW three types of light emitting modes are available. Also, DMX control enables different applications. 1.8m length option with large power offers more possibilities, such as applied in car wash and entertainments. Optional installation ways and accessories make it a satisfying product for facades.
Multiple beam angles optional
Single white, RGB and RGBW available
DMX control
Diverse installation ways
Well-designed accessories for anti-glare
1.8m length option for more possibilities
Applications:
Facades appearance, Square, Plaza, Business street, Park, Advertising board, Bridge
